FROM THE PRESIDENT

Dear members and candidates of EPF Societies, dear colleagues,

today we want to invite you via your psychoanalytical society to an interdisciplinary

EPF Symposium on Time on the weekend 9th - 10th April 2022.

We will hold this symposium as a hybrid conference at the EPF House in Brussels. Due to limited room capacity at EPF House, you are invited to participate **online**. The conference language will be English and will not be simultaneously translated.

The symposium is dedicated *to the Memory of Jorge Canestri* who had the initial idea for this interdisciplinary conference between psychoanalysts and scientists from neighbouring disciplines.

You will find the programme attached to this invitation.

To cover the costs we charge a participation fee of € 50,-- for members and a fee of € 20,-- for candidates of each society.

All information concerning the symposium is available on our website www.epf-fep.eu, together with the link for online registration.

Please send your registration by 6 April 2022 at the latest.

On behalf of the entire EPF-Executive, we would be pleased if you could attend our Symposium on Time online.
