**13th International Sándor Ferenczi
Conference**

Florence, Italy

May 3-6, 2018

Ferenczi in Our Time and A Renaissance of Psychoanalysis

This conference will bring together an international gathering of clinicians, researchers, and academics to discuss and debate the present-day relevance of Ferenczi's ideas and work.

The themes of the conference, **Introjection and Transmission; Trauma, Fragmentation and Narrative; Innovations in the Clinical Encounter: Elasticity, Relaxation and Mutuality**, are indicative of the breadth of Ferenczi's creative psychoanalytic thinking and research. On these broad
